

INSURANCE / PAYMENT INFORMATION

PAYMENT

Since payment is expected when services are rendered, please remember to bring all of your *insurance cards* with you – as this is our form of payment.

Any *co-payment* is due at the time of your appointment. We accept cash, checks, VISA, MasterCard, and Discover.

INSURANCE

While we do accept most major **Health Insurance** plans, it is the Patient's Responsibility to verify their eligibility and benefits prior to their visit to ensure coverage. If you have no insurance, you will be considered a "self-pay" and will be directed to the Front Desk for payment following your visit.

Depending on your insurance plan, deductible and co-insurance amounts, you may meet with our Reimbursement Coordinator following your visit. See our "**Streamline Billing**" letter in the Patient Information Packet for details.

If you are applying for **Medical Assistance** but are not yet eligible, you will be considered a self-pay until your insurance coverage goes through. If you are applying for MA for a newborn, please know that each child requires their own individual ID number, and are NOT covered under their mother's insurance. Until the MA goes through, your child will be considered a "self-pay".

YOUR BILL

Questions regarding your bill can be directed to our Billing Department at **763-398-4233**. If you wish to pay your bill over the phone, please call our office between 8:00am – 5:00pm to speak to our financial coordinator.
